Subject: Are You Qualified To Go To Heaven?

Most people think that they are going to heaven when they leave this world. Heaven is the dwelling place of God where no sin nor sinners will be able to enter. There will be no night in heaven, because the presence of God will light up that new habitation by the glory of God.

You cannot get into the New Jerusalem unless you are qualified, and you must qualify while living on the earth. You will need the Holy Spirit to get into the kingdom of heaven. The Holy Spirit is the preparation process for getting into heaven. The Holy Spirit is the only means that will give you access to the beautiful city called heaven. God will not feel sorry for you while you are dying and give you the Holy Spirit so that you can get into heaven.

You impress God that you want the Holy Spirit to get into heaven while you are living and doing well. You must first repent of your sins with the intent of not going back to a life of sin. If your repentance is sincere, God will take you through a test, and give you the Holy Spirit to help you so that you will know that you are sincere. When you pass your test that will be evidence that you have the Holy Spirit, and then you are qualified to go to heaven.

Subject: The Blood Of Jesus Was Used To Save Sinners From Their Human Bloodline:

The gospel that Jesus preached had two purposes. One purpose was to save those who were willing to repent. However, He spoke boldly to the Jews in the synagogues, condemning them for their corruption, their sins and their disobedience to God. He often rebuked those who were teachers and rulers of the Jews because of their unrighteousness and misunderstanding of the laws of Moses.

Jesus tried to show them the correct way to help restore their lost relationship with God. Jesus tried to show them that because they were of the seed of Abraham they were not necessarily children of promise unless they obeyed the furtherance of the gospel.

Many of the Jews thought that because they were of the bloodline of Abraham they were saved. Jesus taught that unless they had received another Comforter, which would be the Holy Ghost, they would not be recognized by God as being His

children. Jesus made it plain that the bloodline of Abraham would stop at a place called Calvary, and only those who would receive the Holy Ghost could continue to be children of God.

The blood of Jesus that would be spilled on Calvary would be energized by the Holy Spirit with power to wash everybody from their sins. This would allow them to be regenerated from the human bloodline, and born again to be a member of the body of Christ, which would be the family of God.

Subject: Is Your Name In The Book Of Life?

In order to get your name in the book of life you must be born again. The new-birth must be given to you before the first resurrection. When your name is placed in the book of life it is taken out of the book of the condemned. All of your transgressions that were committed before you were born again will be blotted out of the book of the condemned. Listen to Colossians 2:13-14:

Verse 13 - And you, being dead in your sins and the uncircumcision of your flesh, hath he quickened together with him, having forgiven you all trespasses;

Verse 14 - Blotting out the handwriting of ordinances that was against us, which was contrary to us, and took it out of the way, nailing it to his cross.

When you are born again, your record of sin is erased, and your name is put in the book of life. For those whose names are not found in the book of life, they will be cast into a lake of fire, experiencing the second death (Revelations 20:15).

Subject: A Certified Passage Into The Kingdom Of Heaven:

God sent Jesus Christ into the world that you and I might be born again. No matter how nice of a person you are, your first birth is not acceptable to God, and will not allow you to have an entry into the kingdom of heaven.

When you are born again your second birth will be a conception of Christ being born in your mind. This conception will take place by the power of the Holy

Spirit conceiving Christ in you. Only Christ can get you into the kingdom of heaven. Jesus is the only one who can give you the new-birth.

Jesus was presented to the world as an incorruptible seed. He was the incorruptible word of God who had power to install in the minds of humans this seed that would give humans the birth of a new mind. This seed would cause their minds to have power to control the physical actions of humans to be sin-free. This would then qualify humans to enter the kingdom of heaven.

Humans would then be born again of the word and the Spirit of God, and be redeemed from death. They would have a certified passage from a condemned life of sin resulting from their first birth to a life in the kingdom of heaven resulting from their second birth.
