Subject: The Gospel Could Solve Every Problem

The gospel of Jesus Christ would solve every problem on the face of the earth if we could get people to receive it. Now you can't make people love one another, but if you could get them to repent and believe the gospel, and allow God to fill them with His Spirit, the Holy Ghost would spread the love of God throughout the earth. The gospel has the power to make men do what is in the best interest of the whole world, but men must choose to accept God's Spirit.

If everybody would love God with all their hearts, minds and strength, and their neighbors as themselves, there would be no problems. Only the gospel can solve the problems that confront us today. God made the plan of salvation easy for people to receive it. God composed and sent forth a plan through the death of His Son whereby man might be redeemed from sin that the debt might be paid. If man accepts the gospel, then the death of Christ pays the debt for him and he can enjoy the blessings of life without the penalty hanging over him.

God Went Through Great Extremes To Save Us From Sin:

God put the sins of man on Christ. When we see Jesus, the Son of the living God, hanging on the cross, suffering physical pain from the nails in His hands and feet, and the anguish resulting from the abuse of sinners whom He was dying to save, you can surely see that God hates sin and desires to destroy the enemy for causing it. You can clearly see that God went to awful extremes to do something about sin. You can also see that God really loved you to execute such a plan to save you from the awful penalty of sin.

God Is Looking For The Pure In Heart:

The movie industry in Hollywood is probably the most successful business in America. If any firm wants to be successful today, they should follow the way

Hollywood does business. The movie industry in Hollywood uses only the best talent simply because they know that the American public will not pay to see movies that are not good. Therefore, the movie industry does not use personnel that are their close friends and relatives to make their business successful like many other companies in business today. The movie industry knows that good talent is diverse or comes in every race of people. So with this knowledge and way of operating they have been very successful through the years. The movie industry has learned to operate without partiality or favoritism; they simply use the best talent.

When God sets up this new kingdom in heaven, it will be a society without partiality or favoritism. God is only choosing people today from the earth that are pure in heart and sincerely want to be a part of His kingdom. God is not favored towards any ethnic group whether they be Jews, blacks, whites, Hispanics or Asians. God is looking for the pure in heart, just as Hollywood looks for nothing but the best talent.

Subject: God Will Forgive You For Christ's Sake:

When you come to Christ, God justifies you. You cannot justify yourself with excuses for your sins. When you receive the new birth in Christ, God forgives you for Christ's sake, because Christ suffered and paid the price for your sins. Therefore, God will not allow Christ's death on the cross to be for nothing. You will know when you have been a beneficiary of this process because all of the burdens that sin brought into your life will roll away. Every human being living has a right to this benefit in Christ.

Subject: If You Are Living A Sin-Free Life You Will Scarcely Be Saved:

My books are all about the biggest event that will happen to mankind, and that is the first resurrection to be administered by Jesus Christ. It is going to be a glorious event for those who are saved. It will be a horrifying event for those who are not saved. Now I am not trying to frighten you, or bring your attention to

unpleasant thoughts, but I am trying to enlighten you and show you what a wonderful opportunity God is giving us to be a part of this glorious event.

There are many preachers and religious teachings that give people false hope, making them believe that they can be a part of the first resurrection with a sin practicing life, and that Jesus will later take their sins away upon His second appearance. Such preachers show the polished surfaces of the first resurrection and fail to give a detailed description of how to qualify to be a part of this resurrection.

Those who learn these erroneous teachings of salvation will believe that they are qualified to meet Jesus with a life of sinful practices. When God sends someone to show the correct way to be saved, it is a blessing to those who are sincere before God, especially when they still have time to make adjustments to their lives. You are not being helped by a preacher who illustrates the beauties of heaven, and does not show you that the ugly and misshapen soul of sin within you could never enter its portals.

The message that I am bringing you shows how the resurrection will be a glorious day for the saved, and a day of sudden destruction for the souls found in sin. It will come upon them as travail upon a woman with child, and the word of the Lord says they shall not escape. Listen to I Thessalonians 5:4-6:

Verse 4 - But ye, brethren, are not in darkness, that that day should overtake you as a thief.

Verse 5 - Ye are all the children of light, and the children of the day: we are not of the night, nor of darkness.

Verse 6 - Therefore let us not sleep, as do others; but let us watch and be sober.

To be asleep means to be living in sin, and not ready for Jesus' appearance. Now some religious leaders may tell you that you are safe living in sin, but listen to what the scriptures teach in I Thessalonians 5:2-3:

Verse 2 - For yourselves know perfectly that the day of the Lord so cometh as a thief in the night.

Verse 3 - For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape.

If you have been saved from the practice of sin, you will scarcely be saved; where then shall the ungodly and the sinner appear?
