Subject: If You Are Born Again You Have An Inheritance:

If you are born again today, everybody who has authority over you is a servant to you. When you are saved, you are presently an heir of God, and the earth will one day come into your possession (Psalm 37:11; St. Matthew 5:5). You are presently like a child being born into a wealthy family and the servants of the wealthy family have more authority than you have.

You must take orders, and be obedient to the servants of your family until the time that will be appointed unto you by your father to come into possession of the wealth of the family. In Galatians 4:1, the reference is being made to a saved person living in this present world. When God saves you, you become an heir of God. The word of God doesn't play games, it means what it is saying. Listen to Verses 1-2:

Verse 1 - Now I say, That the heir, as long as he is a child, differeth nothing from a servant, though he be lord of all;

Verse 2 - But is under tutors and governors until the time appointed of the father.

When you are born again, you are born into the wealthy family of God who owns everything in the creation. You are like a child who was born into a wealthy, earthly family (St. Matthew 5:10). The day that you are born again, you acquire an inheritance of a place in God's kingdom and the new earth that God is going to renovate (St. Luke 12:32).

The new-birth in Christ is an adoption process that officially gives a child of God the rights of ownership to God's kingdom and the new earth. Listen to Galatians 4:3-5:

Verse 3 - Even so we, when we were children, were in bondage under the elements of the world:

Verse 4 - But when the fullness of the time was come, God sent forth his Son, made of a woman, made under the law,

Verse 5 - To redeem them that were under the law, that we might receive the adoption of sons.

Subject: A Saved Person's Life Was Pre-ordered By God:

In the beginning, God created heaven and the earth. He created heaven for His throne, and the earth was created for His earthly family. The angels were created to inhabit heaven. They were created holy. Angels were created to be in the image of God, and were appointed to positions in heaven. This resulted to angels being known as 'stars'. Stars is the word that is used to describe one who is outstanding in their field.

Jesus was the begotten Son of God who was the greatest star that ever lived. After the heaven and earth were created, the angels that had been created to be part of the family of God in heaven were assigned to look over the works of God on the earth also. Today if you are saved, God has assigned angels to watch over you. A holy people on the earth that have been sought out to be redeemed of the Lord are under the protection of angels.

When you live a holy life on earth, you have holy angels from heaven protecting you. God blesses a saved person by giving them heavenly assistance so that the enemy of God will not overcome the saved people on the earth. When you are saved, your life is a heavenly place in Christ Jesus though you are living on the earth. A saved person who is assisted by the Holy Spirit is also assisted by holy angels.

God planned that those of us who are saved should be holy and without blame, so that we might be members of the heavenly family before Him in love, though we are living on the earth. God has predestinated us unto the adoption of children that we might be brought into the family of God by Jesus Christ to himself according to the good pleasure of His will. All this was planned by God before the foundation of the world. If you are saved today, you were not saved by accident or coincidentally, you are God's workmanship created by God unto good works by divine ordination.

Subject: Praise The Lord:

God demands praise from those who are true. If you are filled with the Holy Ghost, it will cause you to praise God. Praise is comely for the born again person

(Psalm 66:1). When you love somebody you are always saying nice things about the person. You should learn to praise God first, and also other people.

Everything that God creates praises Him. The sun, moon, stars, rivers, mountains, and valleys praise God. All eternity will be filled with nothing but praises for God.

Now you must learn about God to properly praise Him. You must know the scriptures to learn about the power of God; otherwise, you will be ignorant of what to praise God for. If you don't know the scriptures, you could be going to church praising the devil.

The Holy Scriptures are able to make you wise so that you can tell the works of God from the works of the devil. Remember the Pharaoh in Egypt. He thought that the sorcerers and magicians could do the same thing that Moses did until he lost his first-born son, and his army was destroyed in the Red Sea. The Pharaoh was giving praises to the works of the devil, and he didn't know it until it was too late. The scriptures will make you wise unto salvation.
